He is alive!

"Finally, there is a third truth, inseparable from the second: Christ is alive! We need to keep reminding ourselves of this, because we can risk seeing Jesus Christ simply as a fine model from the distant past, as a memory, as someone who saved us two thousand years ago. But that would be of no use to us: it would leave us unchanged, it would not set us free. The one who fills us with his grace, the one who liberates us, transforms us, heals and consoles us is someone fully alive. He is the Christ, risen from the dead, filled with supernatural life and energy, and robed in boundless light. That is why Saint Paul could say: "If Christ has not been raised, your faith is futile" (1 Cor 15:7). Alive, he can be present in your life at every moment, to fill it with light and to take away all sorrow and solitude. Even if all others depart, he will remain, as he promised: "I am with you always, to the end of the age" (Mt 28:20). He fills your life with his unseen presence; wherever you go, he will be waiting there for you. Because he did not only come in the past, but he comes to you today and every day, inviting you to set out towards ever new horizons.

See Jesus as happy, overflowing with joy. Rejoice with him as with a friend who has triumphed. They killed him, the holy one, the just one, the innocent one, but he triumphed in the end. Evil does not have the last word. Nor will it have the last word in your life, for you have a friend who loves you and wants to triumph in you. Your Saviour lives. Because he lives, there can be no doubt that goodness will have the upper hand in your life and that all our struggles will prove worthwhile. If this is the case, we can stop complaining and look to the future, for with him this is always possible. That is the certainty we have. Jesus is eternally alive. If we hold fast to him, we will have life, and be protected from the threats of death and violence that may assail us in life. Every other solution will prove inadequate and temporary. It may be helpful for a time, but once again we will find ourselves exposed and abandoned before the storms of life. With Jesus, on the other hand, our hearts experience a security that is firmly rooted and enduring. Saint Paul says that he wishes to be one with Christ in order "to know him and the power of his resurrection" (Phil 3:10). That power will constantly be revealed in your lives too, for he came to give you life, "and life in abundance" (Jn 10:10).

If in your heart you can learn to appreciate the beauty of this message, if you are willing to encounter the Lord, if you are willing to let him love you and save you, if you can make friends with him and start to talk to him, the living Christ, about the realities of your life, then you will have a profound experience capable of sustaining your entire Christian life. You will also be able to share that experience with other young people. For "being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction" (Pope Francis, Post-Synodal Apostolic Exhortation *Christus Vivit*, 124-129).

The Catechism of the Catholic Church state that: "The Resurrection of Jesus is the crowning truth of our faith in Christ, a faith believed and lived as the central truth by the first Christian community; handed on as fundamental by Tradition; established by the documents of the New Testament; and preached as an essential part of the Paschal mystery along with the cross: Christ is risen from the dead! Dying, he conquered death, to the dead, he has given life" (638).

Question: What does the Resurrection of Jesus mean to you?

Please pray for the Special Intentions of Pope Leo XIV to receive plenary indulgences April 2026:

For priests in crisis

Let us pray for priests going through moments of crisis in their vocation, that they may find the accompaniment they need and that communities may support them with understanding and prayer.

DDD,

Each year, the diocese allocates a quota to each parish based on each parish's income. You may have some questions regarding the DDD. I will try to answer them using the following example: Imagine the diocese as a very large family: 12 children, each with their own family. However, the twelve children, along with their parents, carry out a mission together, for which they need to contribute financially to a common fund. In this case, the parents assign a quota to each child based on their income. In this way, the family sustains itself and carries out its mission.

The Diocese of Salt Lake City is that family, the children are each parish and the Bishop is the head of the family. Now, Notre Dame de Lourdes parish was extremely financially blessed in 2025. For that reason the DDD quota for 2026 has also increased significantly, we have been assigned \$138,900.00.

This number may seem large at first but our parish was extremely blessed last year. From that amount, we as a community will be responsible only for \$38,900.00. Thank God and a generous donator who gave us \$10,000.00, for DDD, we only need to collect \$28,900.00, and the rest will be covered with part of the funds the parish received as donations last year.

How are we going to collect the \$28,900.00? I have asked Jennifer Warner and Savannah Riche to be in charge of collecting all donations for DDD in the parish. That is, you inform either of them how much you are going to donate to the DDD. You can give it to them in cash, by check, or simply let them know you will make your donation online, in which case you indicate the amount of your contribution.

May God bless you abundantly for all your generosity.

Fr. Marco
