The Bible: A letter from God

"The Sacred Scriptures "bear witness" to the divine word in written form. They memorialize the creative and saving event of revelation by way of canonical, historical and literary means. Therefore, the word of God precedes and goes beyond the Bible which itself is "inspired by God" and contains the efficacious divine word (cf. 2 Tm 3:16). This is why our faith is not only centered on a book, but on a history of salvation and, as we will see, on a person, Jesus Christ, the Word of God made flesh, man and history. Precisely because the capacity of the divine word embraces and extends beyond the Scripture, the constant presence of the Holy Spirit that "will lead you to the complete truth" (Jn 16:13) is necessary for those who read the Bible. This is the great Tradition: the effective presence of the "Spirit of truth" in the Church, guardian of Sacred Scripture, which are authentically interpreted by the Church's Magisterium. This Tradition enables the Church to understand, interpret, communicate and bear witness to the word of God. Saint Paul himself, proclaiming the first Christian creed, will recognize the need to "transmit" what he "had received" from Tradition (1 Cor 15:3-5).

Christ is "the Word [that] was with God and the Word was God" (Jn 1:1). "He is the image of the unseen God, the first-born of all creation" (Col 1:15); but he is also Jesus of Nazareth who walks the roads of a marginal province of the Roman Empire, who speaks the local language, who reveals the traits of people, the Jews, and its culture. Therefore the real Jesus Christ is fragile and mortal flesh; he is history and humanity, but he is also glory, divinity and mystery: he who revealed God to us, the God no one has ever seen (cf. Jn 1:18). The Son of God continues to be so even in the dead body placed in the sepulcher and the resurrection is the living and clear proof to this fact. Indeed, the Bible is also "flesh", "letter"; it expresses itself in particular languages, in literary and historical forms, in concepts tied to an ancient culture, it preserves the memories of events, often tragic; its pages not infrequently are marked by blood and violence, within it resounds the laughter of humanity and the flowing tears, as well as the cry of the distressed and the joy of those in love. For this, its "bodily" dimension requires an historical and literary analysis, which occurs through various methods and approaches offered by Biblical exegesis. Every reader of Sacred Scripture, even the most simple, must have a proportionate knowledge of the sacred text, recalling that the word is enveloped in concrete words, which is shaped and adapted to make it heard and understood by all of humanity.

This is a necessary commitment. If it is excluded, one could fall into fundamentalism which in practice denies the Incarnation of the divine Word in history, does not recognize that this word expresses itself in the Bible according to a human language, that must be decoded, studied and understood. Such an attitude ignores that divine inspiration did not erase the historical identities and personalities of its human authors. The Bible, however, is also the eternal and divine Word and for this reason requires another understanding, given by the Holy Spirit who unveils the transcendent dimension of the divine word, present in human words"(Message to the People of God of the XII Ordinary General Assembly of the Synod of Bishops, nn. 3, 4, 5).

Question: How often do you read your Bible, and how do you read it?

Fasting Together

"Preparing and sharing in meals are graced
occasions for families to grow in communion with
one another"

In the article "Fasting Together" the author
Rebecca Cherico explains that preparing and
sharing meals together is an important way for
families to grow closer in love, faith, and
community. She begins by describing how
Jesus often revealed himself to his disciples
while sharing meals, showing that eating
together can be a meaningful and sacred
experience. She encourages families to involve
everyone in preparing meals, rather than
leaving all the work to one person, because
cooking together teaches responsibility,
teamwork, and service. Working side by side
also creates opportunities for conversation
and helps family members build stronger
relationships. The author acknowledges that
sharing household responsibilities may not
always seem perfectly fair, but she believes
family members should focus on serving one
another with love instead of keeping score. By
following Jesus' example of humility and self-
sacrifice, families can transform the ordinary
task of preparing and sharing meals into a
time of unity, gratitude, and spiritual growth.
